DISCUSSING USING EMAIL BLAST FROM CHAMBER OF COMMERCE TO LET OTHER CHAMBER MEMBERS KNOW ABOUT THE GOLF OUTTN

There have been a series of things happen with Mr. Sewell's Face book...it is believe that his account has been hacked. There were posts referring to him being let go at this time that is not the case nor has it come up. It was also mentioned that PLSD Board and Music Booster Board wanted Mr. Sewell out. As a board it was nothing the boosters did to cause the post.

COMMUNICATION – Chris Oehlman

Hopefully communication is getting better and the information is getting out quickly. Communication is being spread y Booster website, Booster Face book site, and emails.

If there is anything you feel needs communicated send an email to Teresa Boggs, Chris Oehlman, and Antoinette Pannell so we can get the information spread through the communication network.

Tracee Steele – her brother is a professional skydiver – might skydive with a football and put it down on the 50-yard line for the beginning of the Central/North game.

Jack Hoagland - wants to donate a guitar for raffle.

Suggestions – Tips for Tag Day document and procedures for car wash chaperones
